

# Honeybourne Business Questionnaire Results

November 2017

- Sent 60 questionnaire to businesses in Honeybourne Parish
- Only 5 responded – 8% response rate
- 2 in village, 2 on trading estate and 1 outside the village
- All in different sectors: Scrap metal, builders yard, public house, agriculture and tourism
- 2 employed 1-3 people, 2 employed 4-10 people and 1 employed 11- 25
- 2 of the businesses had staff living on site but the others used car/vans/ motorcycle to get to work
- All sites had sufficient parking
- 2 business felt they would increase their workforce in the next 12 months
- No business requires additional workspace

## Strengths/weaknesses of the Honeybourne Area as a business location

## Other suggestions/ comments

- Set up a village network to share/ advertise services and businesses in the community
- Broadband speed variable and is a big issue
- Make big railway car park
- Finding employees with specific industrial experience can be a challenge
- Flooding is an issue at crossroads
- Concern over speeding traffic -bad in day time but much worse at night especially lorries
- Retain Green spaces
- Support all the groups already in the village
