

Honeybourne Neighbourhood Development Plan Consultation

The Honeybourne NDP Steering group are pleased to announce that after over two years of hard work we are now in a position to share our draft Plan with you.

We have taken account of your comments throughout the process and have undertaken a significant amount of research to support our policies. Our draft Plan is now officially out for consultation in what is known as the Regulation 14 Consultation.

We are required to share our policies with parishioners and statutory consultees for at least six weeks to enable you to digest the information and respond if you want to. So please do take the opportunity to find out more by coming along to our event or reading about it on our website www.honeybournendp.org

We are kick starting our consultation period with an open day on Sunday 3rd March in the Village Hall. Don't worry if you can't make it, the display boards, draft Plan, supporting evidence and a response form can all be found online at www.honeybournendp.org Alternatively if you would like to borrow a hard copy of the documents or simply pick up a response form please contact the Parish Clerk, John Stedman on 01789 773 999 or email j-stedman@btconnect.com and he will arrange for you to see copies that are being held by the Parish Councillors and members of the Steering Group. We really would welcome your feedback on the policies in the Plan.

The consultation period runs from 1st March until 5pm on 12th April 2019, so please either post your responses into one of the boxes located at the Village Hall, Premier/Spar Store, The Gate Inn, The Thatched Tavern, the Co-op or Honeybourne Primary Academy or email your form to j-stedman@btconnect.com before 5pm on the closing date.

Once we have received all your comments they will be reviewed by the Steering Group and any necessary amendments will be made to the Plan. All of this information will be published in a Consultation Statement. If you would like to know more about what happens next please visit our website www.honeybournendp.org

Thank you for taking an interest in your Neighbourhood Plan and please do let us know your thoughts.
