

Honeybourne Neighbourhood Development Plan

Pre-submission Regulation 14 Consultation

1st March 2019 to 12th April 2019

ALL RESPONSES MUST BE RECEIVED BY 5PM ON 12th APRIL 2019

Response Form

The Honeybourne Neighbourhood Development Plan (HNDP) has now reached the formal consultation stage. Please use this form to comment on the Draft Plan.

In order to comment you will need to familiarise yourself the HNDP particularly chapter 7, the Plan's Policies. This sets out the planning policies for the Parish until 2030; these have been devised in accordance with the Plan's Vision and Objectives which were derived from the residents' questionnaire and extensive research.

For each policy please give your comments and indicate whether you support or object to the policy by putting an X in the appropriate box. Your comments are important to us; each comment and the Steering Group's response to it will be published in a Consultation Paper. This will inform any revisions to the Plan ahead of submitting it to the local authority for examination.

Copies of the latest version of the HNDP and its evidence base may be obtained online at www.honeybournendp.org and hard copies are available to borrow from members of the Steering Group. Please contact John Stedman, the Parish Clerk on 01789 773999 or email j-stedman@btconnect.com and he will arrange for you to access a copy.

Once completed please return the response form to one of the post boxes at the Village Hall, Spar/Premier Stores, The Gate Inn, The Thatched Tavern, the Co-op or Honeybourne Primary Academy, or alternatively submit an electronic copy to j-stedman@btconnect.com You must return your response form by 5pm on 12th April 2019.

Your comments will only be taken into account if you give your name, postcode and organisation (if applicable) and state whether you are a resident, local business, local organisation, statutory consultee or agent.

Data Protection

Residents names will remain confidential, and will only be seen by Brodie Planning Associates (BPA) not the Steering Group; however if you are from an organisation your name and organisation will be published in the Consultation Paper. All other details will remain strictly confidential and will only be used for the purposes of developing the Neighbourhood Plan and any developments arising therefrom. The information that you supply will be processed by BPA, who are assisting the Parish Council and Steering Group by collating the results of this consultation on behalf of Honeybourne Parish Council, who, for the purposes of the Data Protection Act 2018, are the Data Controller. If you have any queries about the survey, or need assistance please do ask by contacting the Parish Clerk using the details above.
